ORDER DENYING PETITION

This petition for a writ of mandamus or prohibition challenges a district court Order Appointing Permanent Co-Guardians Over the Person and Estate of John V.A. Sharp and Directing a Specific Care Plan. On October 18, 2002, this court entered an order that, among other things, directed the real parties in interest to file an answer to the petition and stayed the district court's order to the extent it precluded intravenous feeding and hydration of John V.A. Sharp.

On October 21, 2002, the real parties in interest filed their answer to the petition. Having reviewed the petition and answer, we

conclude that our intervention by way of extraordinary writ is not warranted at this time. Accordingly, we

ORDER the petition DENIED.¹
