ORDER DISMISSING APPEAL

This appeal was docketed in this court on November 13, 2002. Because the notice of appeal was not accompanied by proof of service of the case appeal statement and the notice of appeal, on November 15, 2002, this court issued a notice directing appellant to file the required document. See NRAP 3(d). Because appellant had not complied with this court's notice, on December 16, 2002, this court entered an order directing appellant to file the required proof of service within 10 days.

Because appellant had still not filed the required proof of service, and because appellant had not yet filed the docketing statement, on March 11, 2003, this court entered another order directing appellant to file the required documents within 10 days. We cautioned appellant that failure to comply with the order in a timely manner could result in the imposition of sanctions, including dismissal of this appeal as abandoned. See NRAP 14(c).

To date, appellant has failed to file the required proof of service and the docketing statement. Additionally, appellant has failed to

otherwise communicate with this court. Accordingly, we dismiss this appeal as abandoned.

It is so ORDERED.
