CLERK OF SUPREME COURT

This is a proper person appeal from an order of the district court denying appellant's motion to produce specifically requested discovery and motion for partial stay of execution of sentence. Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists.<sup>1</sup> No statute or court rule provides for an appeal from an order of the district court denying a motion to produce specifically requested discovery and motion for partial stay of execution of sentence. Accordingly, we

ORDER this appeal DISMISSED.
