CLERK OF SUPREME COURT

CHIEF DEPUTY CLERK

ORDER DENYING PETITION FOR WRIT OF PROHIBITION

This original proper person petition for a writ of prohibition challenges the jurisdiction of the Clark County Health Department to conduct an administrative hearing to revoke petitioners' licenses for tattoo and body piercing establishments. We have considered this petition, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. In particular, we note that petitioners

may file a petition in district court challenging the administrative decision if they are aggrieved. Accordingly, we deny the petition.¹

It is so ORDERED.
