ORDER DENYING PETITION

This original petition for a writ of mandamus or prohibition challenges an order of the district court denying petitioner's pretrial petition for a writ of habeas corpus. Petitioner has also requested an emergency stay of the proceedings below. Having reviewed the petition and the appended documentation, we have concluded that this court's intervention by way of extraordinary writ is not warranted. Accordingly, we deny the petition. Further, we deny petitioner's emergency motion for a stay.

It is so ORDERED.
