ORDER OF AFFIRMANCE

This is a proper person appeal from an order of the district court dismissing a post-conviction petition for a writ of habeas corpus challenging the computation of time served. We have reviewed the record on appeal, and we conclude that the district court did not err in dismissing appellant's petition for the reasons stated in the attached order. Therefore, briefing and oral argument are not warranted in this case.¹ Accordingly, we

ORDER the judgment of the district court AFFIRMED.
