ORDER DISMISSING APPEAL

This is a proper person appeal from a district court order denying a motion to set aside a judgment pursuant to NRCP 60. Eighth Judicial District Court, Clark County; Jennifer Togliatti, Judge.

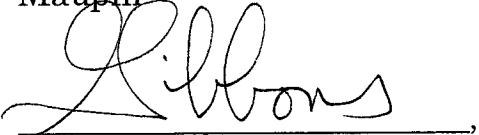

On September 13, 2005, this court entered an order that, among other things, noted that it appeared appellant would be proceeding in proper person, concluded that this appeal should be included in the pilot program for proper person appeals, and directed appellant to file his civil proper person appeal statement on or before October 13, 2005. To date appellant has not filed a civil appeal statement or otherwise responded to this court's October 13 order. On November 30, 2005, respondent filed a motion to dismiss this appeal based on appellant's failure to comply with various procedural directives issued by this court. Appellant has not filed any response to respondent's motion. Based on appellant's failure to respond in any way to either this court's September

13 order directing him to file a civil appeal statement or respondent's motion to dismiss, we conclude that appellant has abandoned this appeal, and therefore we grant respondent's motion and dismiss the appeal.

It is so ORDERED.
