ORDER OF AFFIRMANCE

This is a proper person appeal from district court orders granting respondents' motions for summary judgment, awarding costs to respondents, and imposing \$1,000 in sanctions against appellant for his continued filing of frivolous pleadings in an insurance bad faith case. Eighth Judicial District Court, Clark County; Jackie Glass, Judge.

Having reviewed the record on appeal, we conclude that the district court properly granted summary judgment in favor of respondents and that the district court did not abuse its discretion in awarding costs or imposing sanctions.¹ Accordingly, we affirm the district court's orders.

It is so ORDERED.²
