ORDER DENYING PETITION FOR
WRIT OF PROHIBITION

This is an original proper person petition for a writ of prohibition. Petitioner has the burden of providing this court with a statement of facts necessary for this court's understanding of all issues raised, and must attach all documents needed for this court to render its decision.¹

¹NRAP 21(a); Pan v. Dist. Ct., 120 Nev. ___, 88 P.3d 840 (2004).

We have considered this petition, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.² Petitioner has not met her burden of providing a cogent statement of facts and the necessary documentation to support her allegations. Accordingly we,

ORDER the petition DENIED.³
