ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the district court to consider and resolve petitioner's motion for leave to file an opening brief, motion for the appointment of counsel and request for submission of motion. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this

time.¹ We are confident that the district court will resolve all pending matters as expeditiously as the court's calendar permits. Accordingly, we

ORDER the petition DENIED.
