Re: 2026 Foundation Grant Award

Dear Alexander:

The Nevada Bar Foundation reviewed your 2026 Foundation Grant application and approved a $20,000 grant and up to $20,000 in matching grant funds. Your organization is authorized to use these funds solely for the purposes outlined in your grant application for the program "Cameras and Analytics." The award shall be restricted from funding the "Perspectives Videos".

Prior to receiving any awarded grant dollars, there are some important considerations to keep in mind and dates to calendar.

- First, please review, sign, and return the attached Acknowledgment form. We must have this form prior to releasing any awarded grant dollars.
- The deadline to solicit and claim any matching grant dollars is **April 30, 2027**. Please adjust any planned fundraising to fulfill the matching grant deadline accordingly. Please claim matching dollars using our online form.
- All awarded grant dollars must be spent and a final report filed with the Nevada Bar Foundation by **August 1, 2027**. Please use this reporting form. Any unused grant dollars must be returned to the Foundation unless you specifically request and receive approval to carry them forward to the next year.

If you have any questions about the Foundation Grant award, reporting requirements, or the terms outlined in this letter or in the Use of Funds Agreement, please do not hesitate to contact me.

Sincerely,

Claudia Mason
