Good morning Ms Greco:

I normally would send these to Ms. Lerud but she is out of the office.

This is a request to provide indefinite electronic coverage of the proceedings in CR19-1535A and B. I see arraignment in A and anticipate arraignment in B popping up soon. This is an official request under SCR 230(1).

If there are any other media requests in this case please let me know so I can coordinate with their camera teams.
