I'm attaching a media request for July 22 and 31 both; recording-only for July 22 and live broadcast for July 31.

I also went ahead and attached our published White Paper to help both the courts and attorneys understand our purpose and objective.

Please let me know if the hearings will be on Zoom or Blue Jeans as I'd to know if I need to send in-person camera teams or not. In case the court is wondering, we have been able to record and broadcast remotely from Zoom or Blue Jeans and have done so in the Districts 2 and 8 as well as the Court of Appeals.
