I'm submitting this media request for the hearing in State v Hillygus/Handte on March 1, 2022 at 10 a.m. SCR 230(1). It appears to be in-person and apparently Governor Sisolak is ending the mask mandate, so we would like to deploy an in-person camera.

Brittany and I can head up personally for this one, we have to pay Judge Montero's department a visit around that time anyway.
