Good afternoon. The Court has received multiple written requests for electronic media coverage for the March 1<sup>st</sup> hearing in CR19-1535B, *State v. Handte*. The request for electronic media coverage is granted. Pursuant to Supreme Court Rule 233, because multiple requests have been received, it is the responsibility of the requesting reporters to determine pool coverage as only one camera will be allowed in the court room at a time. For additional information, the District Court's media policy can be found at [Attending Court - Washocourts](#). Please familiarize yourself with it before attending the proceedings. I am available if you have any questions.

Thank you,

Alicia
