**Note on Records Requests**

- Per Nevada law, misdemeanor cases are destroyed once the applicable retention period has been satisfied.
- If records are no longer available, the Court will provide a letter free of charge.

**Note on Audio CD Requests**

- Audio CDs can only be played on a computer using FTR Player software; computers must have a CD drive, sound card, and Internet access. Audio CDs cannot be returned for a refund.
- To avoid tampering, courtroom audio is saved in a proprietary format (.TRM file extension) and will not play in standard CD players or with standard media players.
- After creating an account on the FTR website, you can either upload the files from the CD to the website using the free online Web Player, or you can download the free FTR Player software onto your computer.
