We received your request for endorsement pursuant to UIOPP<sup>1</sup> IV(D).

William Fox, District 8 Coordinator; Christine Tosti, District 3 Coordinator; Marc Larrea, District 2 Coordinator; and Glen Baker, District 6 Coordinator, participated in deliberations.

We reached out to Justice of the Peace Chris Lee to offer him an opportunity to oppose, counter-request, or provide input on your endorsement; he declined to respond.

You are hereby endorsed for Department 3 of the North Las Vegas Justice Court. The decision was unanimous.

You stand out as a remarkable, passionate candidate, who is 'On the Front Lines' and does not shy away from the raw, ugly truths of the criminal justice system. It was your keen awareness of the discretion a judge holds and how crucial it is for judges to fairly and responsibly exercise their discretion that most impressed us. In your own words: 'The Judge Matters'. We could not agree more.

This endorsement is effective immediately, and expires January 1, 2021. You are authorized to use our logo on your campaign materials.

Sincerely,

Alexander M. Falconi

Administrator
