Good morning,

Unfortunately, before we can release the video request to you, we will require a court order allowing the release of the sealed JAVS recording to you, along with the date(s) you are requesting. The court order filed in the case seems to be for the transcript and looks like it's ordered to be released to Atty. Andrew Flahive as well. When the court order is obtained, please resubmit the request form along with the court order back to the records department at recordsrequest@clarkcountycourts.us for processing.

Have a wonderful day.

Thank you,
District Court Records Division
