What is your connection with the attorney? Explain briefly.

Mr. Phillips used Photoshop (or similar editing suite) to produce a counterfeit, fictitious Our Nevada Judges ('ONvJ') publication; and, used the publication to deceive the public into believing his lawsuit against a Nevada District Judge had the support of ONvJ.

Statement of Complaint

Include with your submission a statement of what the attorney did or did not do that is the basis of your complaint. Please state the facts as you understand them. Do not include opinions or arguments. If you hired the attorney(s), state what you hired the attorney(s) to do. Additional information may be requested.

Mr. Phillips demonstrates a willful and malicious intent to deceive and impersonate by attaching an image to his post in a pattern consistent with what would appear to be a Facebook 'share'. The context of the post and share, as well as the editing in of Our Nevada Judges' ('ONvJ') name and logo, makes it appear as though ONvJ published support for Mr. Phillips' lawsuit, and that Mr. Phillips was sharing the counterfeit publication to exploit ONvJ's credibility with the public and legal community. The distinction between his attack organization and ONvJ is deliberately hidden, and instead of leading the public to believe it is another attack post against ONvJ, actually impersonates ONvJ and makes it appear to the public that his lawsuit has ONvJ support.

Mr. Phillips shows no remorse for this deception, instead claiming it to be 'satire'. When a comedian takes the stage and impersonates another, it may hurt the targets feelings but the audience can see the actor is clearly impersonating another person, and they are not deceived. What Mr. Phillips did was erase this distinction by disguising himself as ONvJ, not in an effort to attack or ridicule ONvJ, but as mentioned earlier, make it appear to the public as if ONvJ had provided support or legitimacy to his personal lawsuit against a Nevada judge.

Generally, Mr. Phillips operates very transparently and communicates clearly his displeasure for ONvJ and the Nevada judiciary. Mr. Phillips has produced a number of other attack publications, none of which ONvJ includes in this grievance because it is sufficiently clear to the public and ONvJ supporters that these other publications come from a distinct organization (his), and that they are attacking ONvJ and others. ONvJ is only including in this grievance his willful and malicious impersonation of ONvJ for his own personal gain; namely, to bolster support for his lawsuit against a judge.
