Re: 2020 Judicial Election

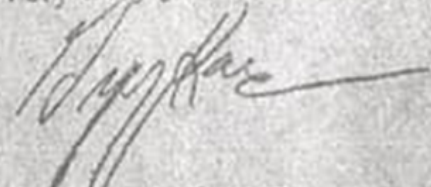

Dear Ms. Almase:

We are writing, as a firm, in support of your campaign. We understand that the COVID-19 pandemic has put all judicial candidates in a very difficult and uncomfortable position, as campaign events have been canceled and everyone's finances are strained. While this public health crisis has changed many aspects of our lives and work, one thing that has not changed is Kamer Zucker Abbott's (KZA) long-standing commitment to the Nevada Bar and our local legal community. The quality of Nevada's judicial bench is extremely important to us and our clients.

Given the current pandemic, KZA determined that the best way we could support your campaign this year would be to publish our recommendations for the upcoming judicial election. As such, enclosed please find an article we published this week to our clients and contacts through our *KZA Employer Report*. The *KZA Employer Report* is our firm's e-mail alert publication to which over 600 clients and contacts subscribe. Each article is also published on our KZA webpage at <https://www.kzalaw.com/Knowledge-Center/Employer-Reports/>.

We hope that this article assists your campaign efforts and we wish you success in your campaign and continued service to the Nevada legal community.

Very truly yours,

Gregory J. Kamer
