Judge Kishner:

As the Clark County District Attorney, it is my honor to endorse you as a Judicial Candidate in Department XXXI this year.

Your last ten years on the bench have been defined by your professionalism, balance and thoughtful application of the law in the cases over which you preside. Your extensive legal career prior to that has definitely benefitted those who appear before you.

I believe your involvement in our community outside of the courthouse is just as impactful. Your work with Legal Aid of Southern Nevada, UNLV Boyd School of Law, the Access to Justice Commission and a variety of other valuable agencies and programs punctuate your commitment to making our community a better and safer place for all our citizens.

I wish you much success on the campaign trail, and especially on election day.

Best of Luck,

Steve Wolfson

Clark County District Attorney
