Dear Judge Johnson,

There are many issues that face the firefighters throughout the State of Nevada today. Whether it's homeland security issues, our collective bargaining statutes, or our workers compensation laws. Our members have many concerns. Today public safety workers are on the frontline of our state's defenses.

Because of your qualifications, experience, and understanding of the issues important to our organization at the District Court Level, the Professional Firefighters of Nevada are proud to support your candidacy for election to the office of the District Judge for Clark County District 22. Your continued support will be of extreme value in the future.

Please accept this endorsement on behalf of the Professional Firefighters of Nevada. If we can be of any assistance to you please feel free to contact either Rusty McAllister at 493-2796 or Dean Fletcher at 523-9996. We look forward to working with you in the future.

Respectfully,

Rusty McAllister
