## You have been endorsed - Team Challenge

The following video has been added to the Independent Black Voters group and over 300 affiliated groups.

<https://www.facebook.com/IBV2024> I am requesting that all 30 endorsed candidates forward this link to at least 50 people and ask them to do the same. By working together we can reach over 20,000 people.

As an endorsed candidate, you have been invited to our first of a series of outreach events. We are inviting the submission to stop by and meet the candidates for 15 minutes or less. The event will comply with social distancing guidelines and masks are mandatory. So far we have roughly 28 candidates and will cap the number at 30. If you are interested and have not responded to invite, please do so. It is important that we have an accurate count.

After the endorsement party, we will launch our Get on the Ball bus.
