Dear Douglas Herndon,

I am pleased to inform you that the Nevada Veterans Association, based upon several recommendations, met and voted to endorse you for Justice of the Supreme Seat D. The NVA represents approximately 228,000 dedicated veterans of the United States Military residing in Nevada. Our members have proudly served the United States and continue to serve by ensuring the success of the communities they now live in. The NVA advances the interests of our members through legislative and legal advocacy, political action, education, and a variety of community efforts that contribute to total person wellness.

Your close relationship with the community, advocacy for Nevada Veterans, meeting the needs of their families, and setting the example to advance proven solutions enables you to understand the unique needs of Nevada veterans. Because of your proven commitment to Nevada veterans, the members of the NVA endorse your candidacy for Justice of the Supreme Seat D.

We appreciate your efforts and look forward to working with you to help strengthen our justice system.

Respectfully

*Donna K Lee*
