President of the United States

President

- Donald J. Trump - **Endorsed (R)**

President Trump supports our veterans, law enforcement, and continues efforts to bring overseas manufacturing back to the United States which should benefit Nevadans and help diversify our Tourist Gaming based economy. Most of our members indicate he is best positioned to support our first and second amendment rights. He suggested we re-open the state after Covid 19 sooner than has been the case to bring back jobs and our fragile economy.
