Dear Ms. Cutter:

IUOE Local 501 is proud to officially state that we hereby endorse your candidacy for District Court Judge.

Your record of being a strong supporter of working people and organized labor, expanding organizing efforts, growing the middle class and your commitment as a bold advocate for protecting workers' rights and families was a major factor in our decision to support your campaign.

As you know, IUOE Local 501 is dedicated to representing our members with the highest levels of standards and service. One important part of that piece is our work to help elect public officials who will be a strong voice in government for the working families of Labor.

We look forward to helping you with your election.

On behalf of IUOE Local 501,

Edward J. Curly  
Business Manager
