Alison Ormaas
9732 Pyramid Highway #367
Sparks, Nevada , 89441

Dear Alison Ormaas:

The members of Sparks Firefighters- IAFF Local 1265 are happy to endorse you in your campaign for the Sparks Municipal Court judge in the 2022 election. We recognize you are currently a Deputy District Attorney and respect that you have been a prosecutor in the area for 15 years. Your resume speaks for itself with vast experience in the CPS Division, the Felony Trials Division and the Specialty Courts division. We appreciate that you also have been an instructor at the Northern Nevada Law Enforcement Agency for the last 13 years; helping train many of our Sparks Police Officers that run calls with us and help to keep us safe.

We have spoke with you about your goals and plans to serve our community through the Municipal Court. Your passion, experience, and expertise would be a great asset for the City of Sparks. Your vision for the future of the Municipal Court aligns with the public safety priorities and goals of our firefighters. Modernizing the court, improving Specialty Courts, and re-instituting the Victim Impact Panel will help us become safer and more effective in our goal to protect the community. We also appreciate your service our community through your non-profit organization, "Project Sweet Dreams". Your actions to serve the community both as a prosecutor and through charity work align with our Fire Department motto of "Proud to Serve".

Congratulations on earning our endorsement, and we wish you the best of luck in the upcoming election!

Respectfully,

Darren Jackson
President, Local 1265
