Re: NVA Endorsement

Dear Deborah Westbrook,

I am pleased to inform you that the Nevada Veterans Association has endorsed you for your 2022 Court of Appeals, Department 1 race. Our organization represents approximately 228,000 dedicated veterans of the United States Military who reside in Nevada. Our members have proudly served in United States Armed Forces and continue to serve by supporting local community efforts. The NVA advances the interests of our membership through legislative and legal advocacy, political action, education, and a variety of measures to support overall Veteran health and wellness. Your relationship with the community and advocacy for Nevada Veterans demonstrates your ability to understand the uniqueness of Veteran needs and your commitment to support those needs. It is because of your proven commitment to Nevada Veterans, and our expectation that you will continue to support Veteran efforts in the future, the NVA endorsement panel has endorsed you. We appreciate your efforts and look forward to working with you to support Veteran concerns and issues.

Respectfully,
