Dear Ava Bravo:

Thank you for taking the time to interview with The Third Branch PAC. As we explained, The Third Branch PAC takes the qualifications, experience, core values and judicial demeanor of the candidates into account in determining our recommendations to the Community. The Third Branch is dedicated to supporting judicial candidates who will follow the law and uphold the Constitutions of the State of Nevada and the United States of America. We greatly appreciate your patience and your willingness to share your story and background with us.

Congratulations! The Third Branch PAC is proud to endorse you for the office of Las Vegas Justice of the Peace, Department 2, for the upcoming primary election 2024. You may place this endorsement in your literature, marketing and other materials. You may also use this endorsement for your speaking

engagements and when contacting other civic organizations. The Third Branch PAC will also be circulating our endorsement on rack cards during the primary election season. Please let us know if you want a stack of those cards during your campaigning. Please keep us informed of your efforts to be elected to the office of Las Vegas Justice of the Peace, Department 2.

Signed,
