NOTES: During the 2023 Nevada Legislature, a number of state legislative Democrats joined all Republicans and voted to repeal daily room cleaning. SB441 was signed into law by Governor Lombardo and hurt guest room attendants and our jobs.

The Culinary Union has chosen to "not" endorse politicians in the 2024 Primary who are not longer endorsed, are crossed out in red. Culinary Union will re-evaluate all endorsements ahead of the November election.

NOTA: Durante la Legislatura de Nevada de 2023, varios demócratas legislativos estatales se unieron a todos los republicanos y votaron para revocar la limpieza diaria de las habitaciones. SB441 es promulgada por el Gobernador Lombardo y perjudicó a las camareras y nuestros trabajos.

La Unión Culinaria ha optado por "no" apoyar a los políticos en las Primarias de 2024 que anteriormente habian apoyado, pero que decepcionadamente votaron a favor de aprobar SB441. Los candidatos, que ya no cuentan con el apoyo, están tachados en rojo. La Unión Culinaria reevaluará todos los respaldos antes de las elecciones de noviembre.
