2024 Election & Endorsements

Nevadans of all backgrounds, regardless of race, income, gender identity, or immigration status, deserve to thrive in the communities they call home. Whether that means affordable housing and utility costs, fully funded public schools, expansive public transportation, and clean air and water.

This election, voters will be the heroes. It's time that we choose us. We have the opportunity to vote to build on the historic progress we've made in past legislative sessions and choose leaders who are willing to keep fighting against corporate greed and out-of-control prices. We believe our democracy only works when we all have a voice, not just billionaires and CEOs. It's not about an individual candidate or political party, it's about taking a stand for the issues that affect everyone in our communities. Beyond the top of the ticket races, voters have the ability to impact their daily lives by participating and engaging in down ballot races.

Important Dates:
