Re: ENDORSEMENT OF YOUR CANDIDACY - NLV Municipal Court Department 1

Dear Judge Cannon

As you are aware the North Las Vegas Police Supervisors Association (NLVPSA) represents the interests of the Police Supervisors who currently serve the North Las Vegas Police Department (NLVPD). These Supervisors tirelessly defend and protect the public and visitors to our community on a daily basis. The interests and goals of our Association is to support its members and constantly look for persons who would be excellent candidates to lead the community that we serve.

Your reputation as a community advocate and community leader stem from your service within the North Las Vegas Community. You previously served as a police officer with the North Las Vegas Police Department for over twenty five (25) years and further dedicated your service

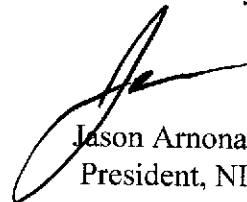

to both the North Las Vegas Police Officers Association (NLVPOA) and the North Las Vegas Police Supervisor Association (NLVPSA) as an advocate for officers in administrative hearings and as a negotiator for them in the collective bargaining process.

During your time on the Municipal Court, you have worked hand and hand with our members and our police officers - advocating for public safety, protecting the rights of citizens and running a fair and impartial court. You have been a strong advocate for homeowners and residents in our community. Additionally, your understanding and support for Unions - advocating for their rights to collectively bargain and secure a livable wage - demonstrates your commitment to a strong workforce.

It is with sincere pride and without reservation that the North Las Vegas Police Supervisors Association endorses your re-election to the North Las Vegas Municipal Court. Our members stand committed to support your candidacy in any facet needed. Our members would be proud to walk door to door and educate our community of your achievements and why their support is vital to continue your service for the next six years.

Please feel free to contact me, our Board, or any of all members with any support that you would need during this election cycle or during your next term on the North Las Vegas Municipal Court.

Sincerely,
