Dear Austin Beaumont,

On behalf of our members, I am pleased to inform you that the Clark County District Attorney's Investigators Association (CCDAIA) has chosen to endorse your campaign for the Eight Judicial District Court Department 8 seat.

We look for candidates that are fair, honest, and impartial. Candidates with integrity that we believe will strive to make Clark County a safer place for all. We believe that you fit that criteria and are honored to endorse your campaign.

CCDAIA is composed of P.O.S.T certified Investigators. These Law Enforcement officers work side by side with the Clark County Prosecutors, local police agencies, the District Court Marshals, Justice Court Marshals and many other personnel and agencies.

We look forward to working with you to keep Clark County a safe place for the nearly 3 million residents and 45 million visitors per year.
