ENDORSEMENT

On behalf of the Pahrump Drug Court Alumni, we are honored to offer our wholehearted endorsement of Judge Kimberly Wanker for re-election in 2026.

For many of us, the courtroom was once a place of fear, uncertainty, and consequences. Through Judge Wanker's leadership, it became a place of accountability, hope, and opportunity. She has consistently demonstrated that justice and compassion can exist together and that people deserve the opportunity to change their lives.

Judge Wanker has never simply seen cases, charges, or court files. She has seen people. She has seen mothers and fathers fighting to reunite with their families, sons and daughters searching for a new way of life, and individuals struggling with substance use and mental health challenges who needed accountability, guidance, and hope.

She has encouraged us to believe in second chances, and sometimes even third chances, when many of us had stopped believing in ourselves. Her faith in people has often come at the exact moment when hope seemed lost. Through her words, expectations, and unwavering commitment, she has reminded us that our past does not have to define our future.

Judge Wanker challenges participants to become better human beings. She pushes us to accept responsibility, rebuild our lives, repair relationships, and contribute positively to our community. She expects honesty, accountability, and hard work, while also showing compassion and understanding. That balance has changed countless lives.

The impact of Drug Court extends far beyond the courtroom. Families have been reunited. Parents have regained custody of their children. Individuals have found employment, stable housing, education, and recovery. Many graduates now give back to the community through service work, peer support, mentoring, and volunteerism. These successes are possible because Judge Wanker has been a driving force behind a program that believes people can recover and rebuild their lives.

Her dedication to helping individuals suffering from addiction demonstrates her commitment to both justice and public safety. She understands that recovery strengthens families, reduces crime, and creates healthier communities. She has been a strong advocate for treatment, accountability, and long-term success.

Judge Wanker has shown our community what leadership looks like. She listens. She cares. She holds people accountable while never losing sight of their humanity. Her service has brought hope to many who believed they had none.

As graduates and supporters of the Pahrump Drug Court Alumni, we are deeply grateful for her leadership, her compassion, and her belief that people can change. Her work has left a lasting impact not only on our lives but on our families and our community as a whole.

For these reasons, the Pahrump Drug Court Alumni proudly and wholeheartedly endorses Judge Kimberly Wanker for re-election in 2026.

**With gratitude and respect,
Pahrump Drug Court Alumni**
