Subject: Congratulations on Your PFFN Endorsement

Judge Lilly-Spells,

Thank you again for taking the time to meet with the Professional Fire Fighters of Nevada during our endorsement interviews. After completing all interviews and deliberations, the PFFN has voted to extend our endorsement to your campaign. Our members appreciated the time you took to meet with us and the thoughtful way you addressed the issues impacting Nevada's fire service and the communities we serve.

We look forward to supporting you in the months ahead. Per our conversation, I've included the PFFN logo for your use in campaign materials. Please let me know if you need the logo in a different format or if there is anything else we can assist with as you move forward.

Congratulations again, and thank you for your continued service to our community.

In solidarity,

Ryan Beaman
